Dear Craft Loving Women,

We are so glad that you are interested in the Bizarre Bazaar at the 2010 Quadrennial Assembly. When we have hosted this event in the past, it has become a memorable event for many women who participate. It will be a wonderful opportunity for you and your friends to show off your handiwork to 3000 of your new friends at the Quadrennial Assembly.

Due to the tax codes in the state of North Carolina, we have to do things a little differently this time around as far as the items you will be selling are concerned. You are still able to charge what you would like for your items and receive that amount for those items. The difference is that – even though we are a not-for-profit organization – we must register with the state, charge sales tax, and report it to the state.

When you price your items we ask that you charge sales tax and handling on top of what you would normally sell your goods for. The tax in Guilford County is 6.75 per cent. For example: an item which you would normally sell for \$10 would cost \$10.68, with tax. To make life easier for all of us, we ask that you round up this amount to \$11.

By rounding the cost of your items up to the next dollar, the QA will report and pay taxes on your behalf. Any amount above and beyond the sales tax will be used to seed the 2014 QA as well as help fund Women's Ministries for the next four years. We will give you a form when you arrive for the Bizarre Bazaar to make this process easy for all of us.

We have reduced the price of tables from what they cost during the Mix in '06. In 2006 each table cost \$50 and \$25 per half. **The cost this time will be \$35 per table or \$17.50 for half of a table.**

We look forward to experiencing the Bizarre Bazaar with you!!! Please let us know if you have any questions or contact Kay Koenig at kayk@lightbound.com.

Shalom,
